General Management Plan Amendment
Environmental Impact Statement

Complete Public Comments on the Draft Environmental Impact Statement for the General Management Plan Amendment Now Available

March 5, 2020

Hello James,

The National Park Service has updated and reposted the complete correspondence received on the draft environmental impact statement for the General Management Plan Amendment for Point Reyes National Seashore and the north district of Golden Gate National Recreation Area. Thank you for your patience while we resolved the technical

issues. All comment letters submitted during the comment period last fall have been analyzed in full.

The NPS anticipates issuing the final EIS for the GMP Amendment this spring, with a minimum 30-day waiting period prior to a record of decision.

For more information, please see our [GMP Amendment Frequently Asked Questions](#), our [GMP Amendment website](#), or the website for [Point Reyes National Seashore](#).

Thank you for your interest and engagement in lands managed by Point Reyes National Seashore.
